

Version Number	5.2
Current Policy Effective Date	12-June-2026
Process Owner	Head, HR Operations
Applicability	Applicable to all employees and contingent worker

Objective:

- To ensure all employees and contingent workers wishing to resign from Mphasis are aware of their responsibilities and the procedure that needs to be followed.
- To ensure Managers/respective stakeholders take appropriate action to effectively manage the separation process and protect the interests of Mphasis and the separating employees.

Scope:

- Applicable to all Employees and Contingent worker as part of the separation process.
- No exclusions

Definition:

Separation is the cessation of an employer – employee relationship whereby an employee ceases to render services to Mphasis and as a result is removed from the payroll/from the organization.

Policy Description:

Separations are categorized into:

- Employee initiated separations.
- Company initiated separations.
- Contractor separations
- Retirement

Notice Period:

- Applicable to all Legal entities in India.
- Excludes Mrald Services Private Limited and Sonnick CRM Solutions LLP and other regions as it is part of the respective Entity / Region specific Employee Handbooks.

Sl #	Service Line	Level	Employment Period	Notice Period
1	BPS, Digital Risk	NA	NA	60 Days

Note: Notice Period Salary is computed based on the monthly fixed gross salary of the employee.

** The notice period for BPS Offshore employees has been revised to 60 days in a phased manner. The effective date of the change is specified below:

Employee Category	Effective Date for Notice period change
All New Joiner with DOJ on or after 1st Nov 2018	1st Nov 2018
All existing employees from Level 4 to Level 8	1st Dec 2018
All existing employees from Level 1 to Level 3	1st Jan 2019

***Note: Notice Period change from 60 days to 90 days for APPS, EMSBU, WYDE, Corporate Support, Market Units and ITO Core for Level 1 to Level 6 is effective from 3rd June '2019.

****With effect from 9th Feb 2023, the notice period for ITO-SD (excluding HLD ITOSDINMAS and ITOSDINMASPF) for Levels 1,2,3 (more than 3 months) and Level 4&5 will be 60 days.

- The above-mentioned notice periods hold good for Employees only.
- If an employee fails to work through the required written notice period, Mphasis may withhold payments due to the employee. However, Mphasis may retain/recover amounts outstanding and due therein to the company as well as pay in lieu of the notice period.
- Any Annual leave taken in advance of the entitlement (where permitted) will be deducted from the Separation Policy | 12 June 2026 | Confidential and Proprietary information. © 2026 Mphasis

employee's Full and Final settlement.

- Employees are not eligible to take any leaves during the Notice Period tenure although he / she has leaves accumulated in the system. For any medical emergency, the employee must get email approval from his / her manager. Leaves taken during the notice period may or may not result in the extension of the notice period and it is purely at the discretion of the manager's decision.
- Employees are eligible to take available Comp offs during their notice period only after getting Manager's approval on the same. Notice period cannot be adjusted against available leaves.
- The notice period starts from the day the resignation is initiated on HCM. Any waiver of notice period either in part or entirety is at the discretion of the employee's manager.
- Notice period for Apprentices – In case of separation before completion of the Apprentice program, 30 days prior notice to be provided by apprentices. Any recovery in case a notice period is not served will be referred to by the statutory compliance team for appropriate action.

Employee Initiated Separation

Employees' Responsibilities

- If an employee intends to resign from the company, then he/she should initiate resignation process on HCM after having discussion with his / her Reporting manager. Oral resignations, Fax, Telegrams, SMS, Twitter, Chat messages etc. will not be accepted.
- Employee needs to ensure that No dues clearance is completed on SSP tool before the last working day. Employee should also check each department's no due clearances and provide sign off on SSP tool so that he / she can have a smooth exit process.
- Full and final settlement amount will be credited to employee's salary account and employees are requested to keep the salary account active till the time Full & Final settlement amount is credited to their account.
- Employee should ensure that updated Contact details (i.e. Personal e-mail address, Current mailing address and Mobile numbers) are available on SSP tool at the time of no due clearance sign off as the same will be used for further communication purposes such as - sending soft copy of Relieving letter, Service letter, full and final settlement working file, Form 16, etc.
- Proof of investments (for employees) should be submitted personally/courier to the Finance SPOC as mentioned on the FFS tool at least 7 days prior to the last working day.
- After initiating resignation on HCM, if the employee decides to cancel or revoke the decision, the resignation initiation should be revoked on the HCM tool only. If the employee is willing to withdraw the resignation, the manager at his/her discretion should ensure that the resignation is revoked on the system either by him/her or by the Employee on the HCM tool.
- Employee to ensure the company assets are returned in good condition, failure to return the company assets in good condition will result in Mphasis reserving the right to deduct the purchase value of the asset from the full and final settlement.

Manager's Responsibilities

- The Manager must clearly indicate the date of resignation, last working date, rehire flag, and reason code for Employee separation to complete pre-separation process on HCM.

- For absconding cases exceeding 3 working days of continuous absence, “Absent Without Information” process will be initiated. Applicable for India Region only.
- For all other exits, the Manager must complete the employee pre-separation process on HCM and ensure no due clearance actions are completed.
- As part of the no due clearance process, manager should ensure all payment / recovery for / from employee should be captured before signing off the no due clearance like notice period, Overtime, shift / on-call allowance, performance incentive etc., All payments or recovery, should form part of the manager no due clearance as there is no option to advise these payments post closure of employees’ final settlement.
- For contingent workers, the manager needs to separate the employee directly on HCM not later than 7 days prior to employee’s last working day.
- The manager should plan and initiate the knowledge transfer and handing over formalities, keeping in mind employee’s last working day.
- If the employee is willing to withdraw the resignation, the manager at his discretion should ensure that the resignation is revoked on the system either by himself/herself or by the Employee on the HCM. This would avoid the employee’s salary processing to get into a stop pay mode, access deletion, mailbox deletion, etc. The pre- separation should be updated on HCM within the payroll cutoff date for the month. If pre- separation is updated after the payroll cutoff date, then the employee will receive salary in the next month payroll release and salary stop pay will be revoked.
- No changes are to be made to the employee database on HCM after the employee’s last working day. In case of any exceptions cited, the Manager should raise a case on Ease+ HR Ticket along with relevant approvals.
- Manager can initiate pre-separation for employees based on eligibility for retirement. However, Mphasis shall not be obliged to give prior notice to the employees coming under retirement category and the contract term ends automatically. (Please refer to the clause on Retirement in this policy.)
- Manager to ensure separating employees return the company assets in good condition, failure to return the company assets in good condition will result in Mphasis reserving the right to deduct the purchase value of the asset from the employee full and final settlement.
- Employees who are on seconded to client location, Manager to raise Ease+ HR Ticket, last working date and rehire flag yes/no to get the employee record separated in HCM (Since no dues and F&F is already settled during the movement to seconded to client location, no additional settlements will be initiated. Relieving and Service letter will be issued based on the LWD set on HCM).

Settlement Details

- Relieving letters are issued only on completion of all no due clearance and sign off provided by employees, with no recovery due from any of the departments.
- Relieving letter will be sent to employee’s personal email id through SSP tool, as provided by employees during no due clearance sign off. Relieving letter will be issued within 3 working days considering the last no due clearance date as a reference.
- Full & Final settlement will be completed within 25 working days from when the employee's No dues are completed.
- Gratuity will be provided to eligible employees as per the Mphasis Gratuity Policy.

- For Involuntary separation – Background Verification Failure cases, only Appointment's revocation letter is issued, and no Relieving and Service letters are issued for the same. This is applicable only for the employee who has not completed 2 years in the system. If an employee is separated with this reason code and has completed 2 or more years in the system, then he/she is eligible for Relieving & Service letter.
- Full and Final settlement working file and Service letter will be issued once the full and final settlement is completed (not applicable to AWOI cases). The Full and Final settlement and Service letter will be sent to employee's personal email id through SSP tool, as provided by employee during no due clearance sign off.
- In case of a recovery, the soft copy of recovery letter and Full and Final settlement workings will be sent to the employee's personal e-mail address, as provided by employee during no due sign off.
- Employees will continue to receive salary during the notice period until the employee's manager does not initiate pre separation on HCM.
- For AWOI cases once an employee pays the recovery amount, he/she will get a Service letter.

Note: For all pre-separated employees, Finance payroll team checks the recovery due from employee's based on the pending advances, income tax liability, joining bonus, ELLA/training bond and if the recovery is higher than the payable salary, the salary will be put on hold and will get regularized as part of the F&F.

- The same process as mentioned above will be followed in the case of retirement also.

Global Transfers

Employees who travel onsite on long term assignments will follow the above process along with meeting their HR partner on their last working day. Relieving and Service letters will not be applicable, as this is only a company- initiated transfer and there is no discontinuity in the service of the employee.

Employees to submit the company assets in their base location before the scheduled departure date and seek no due clearance from the system support team. Employees are not allowed to carry the laptop issued in the base location as part of their Global transfer, due to customs restrictions.

For further assistance, please contact onsite.transfer@mphasis.com

Company Initiated Separations

Managers should notify and consult with their respective HR partner prior to implementing any disciplinary actions or attempting to terminate the employment of an employee.

- HR partner will guide the manager on appropriate actions and the letters / documentation required.
- Managers should complete the employee separation based on the local laws applicable to ensure all separation actions are completed.
- If the employee has been engaged for a specific time or for a specific task, no notice period (or pay in lieu of notice) is required unless the termination occurs prior to the conclusion of the terms mentioned in the employment contract.
- For AWOI employees, automated email triggers are sent to the Manager and Employee's personal & Mphasis email id as updated on HCM on 4th working day. In the event of continued absence exceeding 4 working days automated escalation email trigger is sent to 2nd level Manager copying employee's manager to regularize the attendance. If an employee returns to work after a pre-separation is initiated

on the HCM, it is the responsibility of the manager to delete the pre-separation and regularize the attendance to avoid termination.

The Issuance of AWOI Letter to the Employee happens only if:

- Employee doesn't notify or remains to be absent for continuous 6 working days (Excluding optional holidays / approved leaves / public holidays / Weekends) then a Warning letter (soft copy) is sent to the Employee on his/her personal mail id as well as official email id copying employees Manager on the 7th working day informing employee to join within 5 working days.
- If an employee is absent for continuous period of 12 working days, then on the 13th day, Termination Letter (Soft copy) is sent out to the Employee on his/ her personal mail id and Mphasis email id, marking his/her Reporting Manager on those mails.
- On the 13th working day, the Employee's records on the HCM system will be separated as AWOI- Absence Without Information (deserted job) category by offboarding team, followed by no due process on SSP & AWOI F&F process. The Last working day is set based upon the last log in date as per the LAAS system.
- In a different scenario wherein, the Employee reports back to office post separation on HCM, reinstatement / rejoining process must be followed by taking approvals as appropriate (Delivery and HR).
- For Absconding Without Information (AWOI) cases, once an employee pays out the entire recovery amount, he/she will be eligible for service letters.
- For Involuntary separation – Background Verification Failure cases, only Appointment's revocation letter is issued, and no Relieving and Service letters are issued for the same. This is applicable only for the employee who has not completed 2 years in the system. If an employee is separated with this reason code and has completed 2 or more years in the system, then he/she is eligible for Relieving & Service letter.
- For Involuntary Violation of Policy/Property – If the employee gets terminated on the grounds of involuntary violation of Policy / Property then the employee will be separated from Mphasis immediately i.e.no notice period (or pay in lieu of notice) is required. In this kind of termination, only service letter will be issued to the employee.
- In case of non – performance employees who are put on PDP (Performance Development Plan), can be separated on unsuccessful completion of the PDP.
- For voluntary business separation, respective HR Lead, to approve for BPS International, IS, ISEUSS, HP SBU, HP R&D. The rest will be approved by BU HR Head.
- Termination Approval will be provided by the respective HR Lead.

Separation due to Demise

In case of separation of employee due to death, Manager to initiate separation on HCM.

Contingent worker separation

- Manager to initiate the pre-separation on HCM.
- Manager to do the pre-separation no later than 7 working days prior to the Last working day.
- Manager to update the contractor's Last working day at the time of pre-separation.

- Contractors to follow the no dues clearance procedure.

Separation from Mphasis Learning Academy

All fresh graduates who are hired for APPS and IS business and are trained at the Mphasis Learning Academy are required to secure a minimum final average score of 65% across the technical and soft skills tests. Those not meeting the required 65% score will be separated from the services of the organization and service letter will be issued based on the inputs received from the Learning Academy SPOC.

Retirement

- The age of retirement from the service of the organization will be at completion of 60 (sixty) years. The actual date of retirement shall be the last working day of the calendar month in which he / she completes the age of 60 years.
- The employee's Manager is responsible for initiating the pre-separation when the employee is eligible for retirement.
- In exceptional cases, there can be an extension of employment provided up to a maximum of two years at a time (up to the age of 65 years). Such decisions shall be taken subject to the approval from:

Employee Group	Approving Authority
Employees below LT2	Respective BU HR Head
LT2 Employees	Respective Executive Council member
Executive Council Members	CEO & Board of Directors

The decision to extend employment would be based on the criticality of the role and business priorities.

Company Assets

Types of company assets referred in the Policy are Laptop, MacBook, Desktop, Tablets, Phones, Monitors, docking station, power cord, charging cable, webcam, access cards, Company ID card, physical / electronic fobs, cabin / safety locker keys and any devices ordered for specific business needs.

Exit Interview

All separate employees are required to complete their exit survey on the tool on or before the last working day (LWD).

Exception Approval Matrix

Deviation to the standard process will be considered on a case-to-case basis, depending on the business requirement with the necessary approvals.

No backdated separations shall be made on the system. If due to unavoidable circumstances, separations need to be backdated; then it must be approved by Offboarding Lead.

Separation process for Contingent worker:

Contingent worker employment life cycle queries (excluding USA Individual contractors) are managed by respective vendors.

Mphasis shall be responsible for the following:

- 1) Assets issued, Admin and System support.
- 2) Time and attendance, decision to hire / end contract, advise on the monthly payments and final settlement, respective manager.
